Tidelands Community Hospice is a 501(c) 3 non-profit agency that depends upon the support of the community to provide compassionate care to the terminally ill. Your donation helps us fulfill our mission of providing medical, emotional and spiritual care to the terminally ill individuals and their families of Georgetown, Horry, and Williamsburg counties.

Although we receive reimbursement from Medicare, Medicaid, and private insurance, additional funds are needed to care for patients with no reimbursement source and to provide additional services for which there is no reimbursement, such as:

Bereavement support services, including the Good Mourning Day Camp designed to meet emotional needs of grieving children. Bereavement services have no funding, yet are offered to all hospice families as well as members of our communities.

Educational and outreach programs that are designed to strengthen the hospice concept and educate the public about end of life care issues.

Your contribution will be acknowledged to the family or individual you indicate. The amount of your gift is shown only on the letter mailed to you as a receipt for your tax records. Donations to Tidelands Community Hospice, Inc. are tax deductible to the full extent of the law.
